Ranking Member  
Committee on Transportation and Infrastructure  
U.S. House of Representatives

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for a bus garage and public works consolidated facility in Hornell, NY in the surface transportation reauthorization legislation. The project sponsor is the City of Hornell and it is located in Hornell.

The funding is designated for consolidating a deteriorating public works garage and the rented transit facilities in the interest of increased efficiency and safety. The project is an appropriate use of taxpayer dollars and is anticipated to improve the safety and efficiency of the public works and transit operations.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tom Reed  
Member of Congress
